

SFDR Art. 10 – Website Disclosure

SUSTAINABILITY-RELATED DISCLOSURES

Status 01.01.2023

SK Invest – Konservativ

a) Summary

This sub-fund invests predominantly in securities that meet the advertised ESG characteristic and classifies as a financial product that advertises environmental and social characteristics. The objective of the sub-fund's investment policy is to obtain long-term capital and income growth through a broadly diversified portfolio considering the environmental and social characteristics.

In order to achieve the investment objectives, it is intended to invest at least 51% of the sub-fund's assets in money market instruments, fixed and variable rate securities, units of investment funds and certificates within the meaning of Art 41 (I) of the Law of 17 December 2010, the performance of which may be linked to the stock market.
